

REACH and SVHC declaration according to directive (EC) No. 1907/2006

As of November 2025

The emico division of syskomp gehmeyr GmbH deals in products that, in terms of chemical law, are articles in accordance with the REACH Regulation (EC) No. 1907/2006.

In accordance with Article 33 of the REACH Regulation, we inform our customers if a product we supply contains a substance of very high concern (SVHC) in a concentration exceeding 0.1% by weight according to the current candidate list of the European Chemicals Agency (ECHA).

The current candidate list can be viewed on the ECHA website:
<https://echa.europa.eu/de/candidate-list-table> (as of 05.11.2025).

After careful examination and based on the information provided to us by our suppliers, it is not expected that our products contain SVHC substances in a mass concentration exceeding 0.1%.

Exemption:

For brass (nickel-plated) items, the lead content per item exceeds 0.1 per cent by mass. These products are therefore subject to notification in accordance with Article 33 of REACH.

The items concerned can be viewed on our website at:

<https://www.emico.com/en-DE/search?query=brass+nickel-plated>

Accordingly, we provide information about the lead (CAS No. 7439-92-1) contained in the product, which is listed as a substance of very high concern (SVHC).

This information is based on our current knowledge and the information provided by our suppliers. It serves solely to fulfil the information obligation under Article 33 of REACH and does not constitute a legally binding assurance or guarantee.

The customer is responsible for the safe, appropriate and legally compliant use, processing and handling of the products.

If you have any questions, please contact the emico division staff by telephone on +49 9621 675450 or by e-mail at sales@emico.com.
